Cancellation Policy:

Due to the cost of this event, once a deposit is made the participant is responsible for the entire payment of \$1300.

If a participant drops out and can find a replacement for his/her slot, then the replacement can pay the participant for the amount already paid. Replacements must be approved by the Philmont Planning Committee.

A participant who drops out and cannot find a replacement is responsible for the entire payment unless a refund can be obtained without increasing the cost to other members of the contingent.

If a participant who drops out and is unable to get a replacement desires to appeal this refund policy, it may be appealed to the Troop Committee. The Troop Committee may vote to allow a person to drop out of the group and receive a full or partial refund, but the Troop Committee will have to fund any refund out of Troop funds and not the Philmont Trek funds.

Pre-trek participation requirements:

Scouts: participation in 60% of all pre-trek hikes, minimum=4

Adults: participation in 80% of all pre-trek hikes, minimum=5

It is highly recommended that all crew members participate in every hike.

Philmont 2004 Participation Agreement

As an intended participant or parent of an intended participant in the Troop 149 Philmont trek scheduled for 15-28 June, 2004, I hereby agree as follows:

- I understand that the Philmont Trek is a High Adventure Activity that requires good physical health and fitness and that certain physical restrictions apply. All participants must be able to pass Philmont's health and weight restrictions as stated in the Philmont health form. Refunds are not given to those who do not meet these requirements.
- I understand and agree to meet all policies and requirements for participation, including CPR and First Aid Certification and participation in the expected percentage (60% for youth, 80% for adults) of the pre-trek hikes. If I am an adult participant, I understand that I must obtain Youth Protection Training in order to participate in the Philmont Trek.
- I understand that the Philmont trek is an inherently dangerous activity and have read and understand the Philmont risk statement. (<http://www.oconeetroop149.org/philrisk.pdf>)
- I understand and agree that, due to the significant financial cost of this activity, each participant must support his/her share of this cost. Therefore, I understand and agree that by making the first payment and signing this agreement, I fully commit to paying the entire predetermined cost of \$1300 per person by the monthly payment schedule.
- I understand that if I cannot participate after signing the agreement, but can find a replacement that is acceptable to the Troop 149 Philmont Committee, I will not be held responsible for the payment. I also understand that if I cannot participate after signing the agreement, and feel that I have special circumstances, the payment policy can be appealed before the Troop Committee of Troop 149. I agree to comply with their decision.
